

Upwork Announces an Additional \$100 Million Share Repurchase Program

September 3, 2025

Third \$100M share repurchase authorization announced since November 2023

PALO ALTO, Calif., Sept. 03, 2025 (GLOBE NEWSWIRE) -- [Upwork Inc.](#) (Nasdaq: UPWK), the world's human and AI-powered work marketplace, today announced that its board of directors approved an additional \$100 million share repurchase program.

"Upwork's financial results continue to exceed expectations, giving us another opportunity to utilize our balance sheet to increase shareholder value," said Hayden Brown, president and CEO, Upwork. "Our track record of operational discipline and rapid execution is enabling us to grow GSV and continue our market share gains."

Repurchases of Upwork's common stock under the repurchase authorization may be made from time to time on the open market (including through the use of trading plans intended to qualify under Rule 10b5-1 under the Exchange Act of 1934, as amended), in privately negotiated transactions, or by other methods, at Upwork's discretion, and in accordance with applicable securities laws and other restrictions. The repurchase authorization has no expiration date and will continue until otherwise suspended, terminated, or modified at any time for any reason. The repurchase authorization does not obligate Upwork to repurchase any dollar amount or number of shares, and the timing and amount of any repurchases will depend on market and business conditions and other considerations.
