---

**Explanation of Responses:**
1. Each restricted stock unit ("RSU") represents a contingent right to receive one share of the Issuer's common stock.
2. Represents the number of shares required to be sold by the Reporting Person to cover tax withholding obligations in connection with the vesting of the RSUs listed in Table II. This sale is mandated by the Issuer's election under its equity incentive plans to require the satisfaction of tax withholding obligations to be funded by a "sell to cover" transaction and does not represent a discretionary trade by the Reporting Person.
3. The reported price in Column 4 is a weighted average price. These shares were sold in multiple transactions at prices ranging from $11.38 to $11.62 per share, inclusive. The Reporting Person undertakes to provide to the Issuer, any security holder of the Issuer, or the staff of the Securities and Exchange Commission, upon written request, full information regarding the number of shares sold at each separate price within the range set forth in this footnote.
4. The RSU’s vest in equal quarterly installments over four years beginning on May 18, 2023, subject to the continuing employment of the Reporting Person with the Issuer on each vesting date.
5. The RSU’s vest in equal quarterly installments over four years beginning on May 18, 2022, subject to the continuing employment of the Reporting Person with the Issuer on each vesting date.
6. The RSU’s vest in equal quarterly installments on each quarterly anniversary, beginning on November 18, 2022 over four quarters of continuous service, subject to the continuing employment of the Reporting Person with the Issuer on each vesting date.
